even professionals may need professional help . . .

Here's why . . .

Nearly 10 million Americans suffer from alcohol abuse.
Records show a high percentage among professionals, including lawyers and judges.
Recognizing this societal problem, the State Bar of Michigan has established a voluntary
Lawyers and Judges Counseling Program.

Through the efforts of the Lawyers and Judges Assistance Committee, professional help
is now available to Michigan lawyers and judges whose professional and/or personal lives are
threatened by the impact of career-related problems.

What you can do to help or to seek help . . .

If you, or someone you know, is in need of special assistance, please write or call collect:
